TRANSFORMAP

- ❖ Collective started in 2014: Austria & Germany...
- ❖ Visualizing alternative economies
- ❖ Commons approach: open data, FOSS

→ Building a digital knowledge commons about alternative economies by connecting and enriching maps

Digital Commoning Challenges

- ❖ Self-organized commons = collective action + self-governing mechanisms + social capital
 - (Hess & Ostrom 2010)

Heavy communication load
of process vs.
intransparent pragmatism

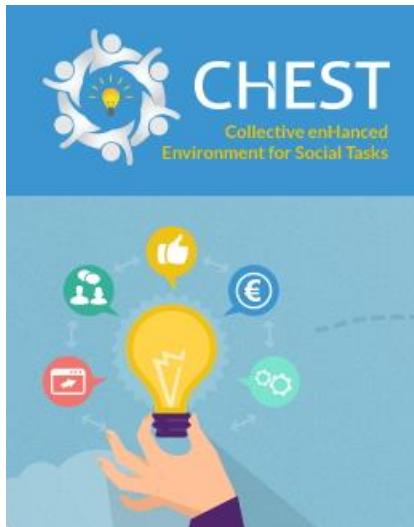

/ Socio-technical divide

*Partially by Adrien Labaeye – Transformap Contributor,
Commons Researcher; partially Josef Kreitmayer*
